Help Cameron, Milam County Grow!

The Cameron Herald

TEXAS PRESS ASSOCIATION 1962 PRIZE WINNER

VOL. 103, NO. 21 | All Departments: OX 7-4671 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, AUGUST 16, 1962 | 12 PAGES TODAY

Remember SOS . . .

10,000 Expected In Sabin Drive . . . September 9

Milam Countians will play a part in modern medical history when they travel to Cameron and Rockdale September 9 for 30 seconds of SOS.

Plans took shape Monday for North Milam County's part in a mass innoculation of Sabin oral vaccine at three centers in Cameron.

Rockdale medical officials were meeting this week to designate SOS centers for South Milam Counties.

Dr. C. G. Swift, a member of the Milam Medical Society's SOS committee, announced committee chairmanships for the administration of about 10,500 cups of the oral vaccine.

Cameron centers for the "Sabin On Sunday" drive are Simon - George Hall, O. J. Thomas Gymnasium and Yoe High School Gymnasium.

Named to committee chairmanships for the five - hour drive (noon to 5 p. m. Sunday, September 9), were:

Registration and Reception, members of the Medical Society Auxiliary; Pre - registration, Mrs. Coy Arledge; vaccine committee, E. O. Schiller, Jr., chairman, Earl Curtis and Franklin Dusek; dispensing committee, Mrs. Leroy Wheeler and Mrs. F. E. Jackson.

Also, traffic committee: Chief Elvin Hoskins and Sheriff Carl Black; site arrangements, Charlie Burke and collection, John B. Henderson Jr., and Adrian Richter; publicity, Gene Smitherman, Lois Sapp and Patsy Matula.

Dr. Swift said that polio could be stamped out within four to six years if 80 per cent of U. S. citizens would take the oral vaccine during SOS.

It consists of a small, tasteless amount of the Sabine vaccine poured over sugar cubes in a cup little bigger than a thimble. The whole process takes less than a half minute.

(Please complete form and take with you Sunday, Sept. 9)

MILAM COUNTY MEDICAL SOCIETY

Sabin Polio Vaccination Program

(Please Print)

List on this form the names and ages of all persons in your household who appear at the clinic at the same time for vaccination. Sign below if any minor (under 21) is listed.

Date: .....

Household

Address: .....

City: ..... County: .....

Last Name	First Name	Initial	Age

I hereby state that I am the (parent) (guardian) of the minors listed above and request that Sabin oral polio vaccine be administered to any above listed minors:

Signature: .....

Head of Household

A copy of the registration form required for youngsters under 21, to be signed by the parent or head of the household, appears along with this story.

BRING IN FORM

Easiest way to fill out the form is to list all members of the family, their age and sign prior to getting the oral vaccine. Dr. Swift emphasized the importance of bringing the registration form to the vaccine centers.

Others will be available through schools, stores, health unit and other public places.

No one will be turned away for the vaccine, but a 25-cent contribution to help pay for the vaccine is being asked at most centers throughout Texas.

Traffic will be a major problem, Dr. Swift said, and Chief Hoskins said Monday there would be about 6,000 cars to direct through Cameron alone if the estimated 10,000 people came in for SOS.

Volunteer firemen will be asked to assist in the traffic control problem, officials said.

VOLUNTEERS NEEDED

Other volunteers will be sught for the various committees, Dr. Swift advised the group, meeting Monday at the Citizens Room of Citizens National Bank.

The Milam County effort will coincide with county - wide efforts in Bell, Falls and McLennan Counties. People may also receive the oral vaccine in Rogers and Rosebud, Dr. Swift noted. He expected quite a bit of cross over from one county to another.

Medical officials urge everyone to take the oral vaccine whether they have had Salk shots or not.

Sabine vaccine destroys Type 1 or bulbar polio, Dr. Swift said. Types 2 and 3 will be administered in similar fashion a few weeks after the first SOS September 9.

The Sabin vaccine protects persons from the disease and stamps out carriers of the polio who themselves have not contracted it.

FINAL BREAKTHROUGH

"It appears a definite breakthrough has been made and the disease can be stamped out.

Polio is generally considered a disease of children and young adults, but older adults can transmit the disease though not getting it themselves, Dr. Swift noted. Sabin vaccine will eliminate this danger.

Cost of the vaccine is being underwritten by the Milam Medical Society. Air service will be available Sept 9 to bring in additional vaccine if needed.

Dr. Swift emphasized that there is no side effects from taking the vaccine.

Area Crops Early

Mercury Reaches 107 Twice Here

Despite torrid temperatures, Milam County cotton and maize crops are coming in early while Texas underwent the hottest 10 days in years.

Official temperatures at Cameron Water Dept. showed a high of 107 two days last week that scorched lawns and dried grass throughout Milam County.

Ginners report that heat has not lessened the quality of the cotton, but has speeded up ginning.

By August 10 this year, 100 bales had been ginned at Farmers' Gin. The first bale ginned last year was on August 10.

FEED CROPS GOOD

Agriculture observers report feed crops are good and grass is standing up well under the heat. Thus far, the cattle market has not been flooded with cattle as any result of lack of grass.

Heat created a nice harvesting situation for milo for the first time in years as the harvest was carried out completely without rain.

The dry weather has affected the corn in that the corn snapping machines are not able to do as good a job as they do when the corn has more moisture. This tughens it and makes it easier to snap.

The intense heat has probably caused a reduction in the size of the cotton bolls, one observer said, but the overall effect might actually be better for the crop which is traditionally hardy in hot weather.

There is a moderate amount of dead cotton due to disease in the ground, cutting in on net profit to producers.

One man guessed that the crop yield may be reduced a quarter of a bale to the acre across the county if the high temperatures continue.

LONG TIME, NO RAIN

In Cameron, there has been no rain in about 30 days, but no shortage of water was noted. Temple has been rationing water for about two weeks. Little River has been slowed to a trickle.

Grass throughout the city has been crisped by the sun. Watering has been heavy in an attempt to save grass from burning.

Tempratures for the past seven days were:

August	Hi	Lo
8	104	75
9	106	74
10	107	76
11	105	73
12	107	75
13	102	75
14	99	79

TEJAS SWIM MEET -- Miss Pam Belson, daughter of Mr. and Mrs. Charles Benson, of Rosebud, was named queen of the Tejas Scout Swim Meet Monday in Cameron. She represented Troop 51 in a contest entered by Scout sweethearts from several towns. Bonnie Sebesta, of Marlin, was runnerup and Nancy Schiller, of Cameron, was third - place winner. Marlin won the Troop trophy in the annual meet.

Grassfires Top List For Firemen

Grass fires continue to plague the Cameron Volunteer Fire Department. The following is a list of calls since Aug. 8.

Saturday a grass fire on W. Vine, Sunday a grass fire at Elm Ridge, Monday a grass fire on N. Washington and a grass fire at the Airport.

Tuesday they answered a call at the Mac Akers farm, one-half mile south of Buckholts shortly after noon. They were able to save all the buildings and many cedar posts, but 150 acres of pasture burned. This was one of the largest grass fires ever seen in this area. It took about four hours with the assistance of the Buckholts firemen to bring the fire under control.

Tuesday they also answered a call to the home of Gus Plentl on Highway 77 north. No damage other than to grass was reported.

The Cameron Volunteer Fire Department again cautions against burning of trash, throwing lighted cigarets out of car windows and negligence which might in any way cause a fire.

MILAM COUNTY'S NATIONAL GUARD MUSTERED OUT

It's all over now for the 60 Milam County National Guardsmen who were called to active duty last October due to the Berlin Crisis. Mustering out ceremonies were held last Thursday at the Armory in which the men were handed their separation papers that officially released them from active duty.

The city of Cameron, Chamber of Commerce, Lions, and Rotary Clubs prepared a short program of welcoming speeches, music by the Yoe High Band and buffet style refreshments.

SFC Joe L. Vybiral, first sergent, presented Mayor Coleman Duncum a copy of the 49th Division Yearbook for the city library. Capt. Verner L. Wunch read various letters of congratulations to the men from President John F. Kennedy and other high government and military officials.

The last of the men were released from active duty Wednesday. Wunch, SSG. Eugene Hubnik, Sp5 Ladis J. Dohnalik remained on active duty at the armory in order to finish the details of returning to state control.

A four man detail of Sp5 Trine Alvarez, Sp4 Eugene Schiller, PFC Lee Hollas and PFC Joe Offield remained at Fort Polk to turn in the company's equipment and buildings.

The company will resume regular drills Sunday, August 26.

67 Teachers Signed For City Schools

Teachers for the 1962-63 school year have been released by the superintendent, Charles Zeigler.

Yoe teachers will be: Barbara Burke, Dorothy Carroll, Francis Cox, Joyce Crow, Joe Davis, Carl Everett, Mary Green, Alice Hughes Louise Jamison, Fred Johns, Emma McDermott, Patsy Nance, Rena Roberts, John Roberts, Ruth Rosson, Herbert Sims, Ada Margaret Smith, Cornelius Titsworth, Beatrice Wiese, Dallie Young and Dorothy Foster.

Ada Henderson teachers will be: Otelia Barker, Ima Batte, Mary Belle Batte, Raymond Bennett, Henrietta Burkes, Elaine Carleton, Agnes Dusek, Roy Hensley, Merle Hickman, John McLerran, Ellen Malcik, Eddie Nabours, Dorothy Russell and Barbara Macon.

Ben Milam Teachers will be: Mary Arthur, Frances Hsnsley, Nannie Hudson, Howard Hurry, Dorothy Jeter, Mary Lawrence, Nell Mayes, Lois Randolph, Virginia Schuhsler, Vance Werner and Nadine Zelisko.

O. J. Thomas teachers will be: Cecil Anderson, Edward Aycox, Joseph Belair, Rosa Bradley, Juanite Burton, T. G. Burns, T. C. Edmond, Emeola Greer, Julia Hodge, Herron Hill, Myrtle Kelley, Annie Lankford, Claudell Madison, Ozella Morton, Courtney Nelson, Dussie Poole, Rae Selman, Susie Stewart, Rubye Turner, M. L. Wilhite and Ella Wilkerson.

Executives at the schools will be: Charles Zeigler, Supt.; R. T. Adams, Ass't. Supt.; Jack R. Hughes, Yoe High Principal; Ray Stevens, Ada Henderson Principal, Max McClaren, Ben Milam Principal and Albert Whiteside, O. J. Thomas, Principal.

Quarterbacks Plan First Fall Meet For Monday Night

The Cameron Quarterback Club soon to be known as the Yoemen Booster Club, will hold its first meeting of the fall football season 7:30 p. m. Monday. The meeting will be held at the Yoe High School Agriculture Building.

Officials have announced the meeting will get under way promptly at 7:30 p. m. so that members will be able to observe part of the first evening's football workout at Yoe Field. The boys will be practicing from 7 to 9:15 p. m.

Among other items of business to be discussed by the club membership will be adoption of Constitution and By-Laws of the Yoemen Booster Club, season football sales by the club members and intersection signs to be purchased by the club and placed at downtown street intersections on the days of home athletic contests.

All members of the Cameron Quarterback Club and persons interested in joining the Booster Club are urged to attend this first meeting.

School Board Lets Contracts For Year

Thursday night the Cameron Independent School Board at a regular meeting took the following action:

The following contracts for 1962-63 were awarded to Humble Oil and Refining for gasoline, oil and grease for bus operaton; Mack's Oil Co. - bus maintenance service (Wash lubrication and tire service)

Pure Milk Company, Milk and ice cream for school lunch rooms;

Rainbo Bread Co., bread for school lunchrooms.

Employed the following new personnel, James J. Hill, Yoe High Custoridan; Mrs. J. P. Coward, lunchroom cook; Mrs. Albred Braden, Lunchroom cook; Julius Whiteside, O. J. Thomas bus driver.

Re - employed the following personnel, Custodians: Leonard Baldwin, Otto Schultz, Floyd Dodson, Tommie Canady. Lunch room workers: Mrs. J. H. Angell, Mrs. E. P. Hollas, Mrs. Alyne Roznos, Mrs. Loleta Williams and Mrs. Murphy Wiewvins.

Roberts Announces Parent's Night; Examinations

Yoe Head coach John Roberts announced that parents night will be held at the Yoe gym at 8 p. m. Saturday.

He also announced that the boys that will play varsity football will take a physical examination at 6:30 p. m. at the gym.

Roberts said the program would consist, for the first 25 minutes, of refreshments and meeting the coaches and parents. Then Coach Carl Everett will discuss the health aspects of the program. Coach Joe Davis will discuss the equipment the players use and Coach Roberts will speak on the philosophy of the game and the conduct of practice.

There will be a display of equipment and then the coaches will lead the guests on a tour of the gym.

Hollas Rejoins Herald Staff

James Hollas, Herald staffer serving with Milam's Company C, 3rd Medium Tank Bn at Fort Polk, has rejoined the staff as ad man and sportswriter.

Hollas returned to his Herald duties Monday. He will continue to serve as assistant advertising manager and assume responsibilities at the sports desk.

103

By FML

Two Temple youngsters cycled through Cameron one day last week, heading for Biloxi, Miss., on their English and Dutch bikes.

They figured to reach Biloxi about five days out, rest there a while and make the return trip.

"Isn't it kind of hot" the boys were asked. (It was about 105 and probably 120 that closed to highway pavement).

"It sure is," replied Jim Smithwick, who will be a Texas A & M Freshman this fall. "But we are starting out slow, only about 60 miles a day. We hope to make upto a 100 miles a day."

Why the bike trip?

Rick Bandas, a sophomore gridder at Texas Christian University, said: "It is something to do and a good way to get into condition."

The 235 - pound youth plays tackle for the Horned Frogs.

"We just picked a point to ride and planned the trip," young Smithwick said.

According to their plans, they are on their way back to Texas by now, probably slightly overdone from their cycling venture during the hottest Texas weather in recent years.

103 - 103 - 103

Heard that Boston, where things are usually banned, had another big robbery this week. It was a $2 million job this time, even bigger than the Brinks holdup by masked robbers 12 years ago.

The boys who tried the Brinks job, though a longtime being caught, are all in jail or dead now.

Guest Soloist To Sing Thurs.

The First Christian Church will have as guest Thursday night Miss Coraline Polley, Metropolitan Concert Singer and teacher. She will be on the program for the revival beginning at 7:30 p. m.

She will sing old gospel hymns. She has worked with Dr. St. John on the Bowery for two years. She is a former Waco resident and a graduate of both Baylor and Columbia Universities.

Schedules Told For 4 Schools

YOE HIGH SCHOOL

Tuesday, August 21, 8:30 to 12, Seniors A-L; 1 to 6 p. m. Mc-Z.

Wednesday, August 22, 8:30 to 12, Juniors A-L; 1 to 6 p. m. Mc-Z.

Thursday, August 23, 8:30 to 12 and 1 to 6 p. m. Sohpomores A-L.

Friday, August 23, 8:30 to 12 and 1 to 6 p. m. Sophomores Mc-Z.

Monday, August 27, 8:30 to 12 and 1 to 6 p. m. Freshmen A-L.

Tuesday, August 28, 8:30 to 12 and 1 to 6 p. m. Freshmen Mc-Z.

ADA HENDERSON

Tuesday, August 21 8:30 to 12 and 1 to 6 p. m. Eighth Grade only

Wednesday, August 22, 8:30 to 12 and 1 to 6 p. m. - Students in grades 4 through 7 that will be attending Cameron Schools for the first time. Students in these grades that attended Cameron Schools last year do not need to register prior to first day of school.

BEN MILAM

Wednesday, August 22, 8:30 to 12 and 1 to 6 p. m. - Students in Grades 1 through 3 that will be attending Cameron Schools for the first time and did not register during Spring Round - Up. Students in these grades that attended Cameron Schools last year or registered for the first grade in Spring Round-up do not need to register prior to first day of school.

O. J. THOMAS

Thursday, August 30, 8:30 to 12 and 1 to 6 p. m. registration for all students at O. J. Thomas, Grades 1 through 12.

SCHOOL EMPLOYEES

The in - service program will begin with a meeting of all school employees on Wednesday, Aug. 29 at 10 a. m. in the Yoe Auditorium.

All teachers will meet in their respective buildings 1 p. m. Aug. 29 to receive an outline for scheduled in service meetings and work for Thursday and Friday.

The regular schedule for classes will begin Tuesday, Sept. 4. Buses will run on schedule and lunch will be served in the cafeteria.

Barbecue Set For Officials

The Highway and Good Roads Committee of the Cameron Chamber of Commerce will be host for a barbecue honoring local and district highway officials from Bryan and Hearne, the City Council, County Commissioners and dignitaries from Rockdale, Hearne, and Caldwell.

The affair will be in Wilson - Ledbetter Park at 7:30 p. m. and will be open to the public. Tickets are on sale this week for $1.50 each.

A. W. McCullin, Chairman of the Highway Committee, stated "This Affair will be held informally and we expect a good local representation to be on hand to show their appreciation to the State Highway Department for the many Highway improvements we have had in our area."

Cameron's Post 85 Sponsor Road Rally

Post 85 of Cameron will sponsor a Road Rally Sunday August 19 at Ledbetter Park.

Drivers will drive a designated course and return to their point of departure. The top three drivers that make the course in a certified time, established by the Texas Department Public Safety, will receive trophies.

Anyone wishing to participate should be at the Swimming Pool at 1:30 p. m. The Rally will start at 2 p. m. and an entrance fee of 50 cents will be charged. The public is invited.

GIRL FOR BROWNS

To Mr. and Mrs. Merkel Brown, Lexington, a girl Madelyn Elaine, on July 31 at St. Edwards Hospital 8 pounds 11 ounces.

AFTER MUSTERING OUT -- Family and friends joined members of Cameron's Company C in soft drinks and sandwiches Thursday. It was the final event in the mustering out ceremony at Cameron Armory. Several hundred onlookers watched as the 60 - man unit was officially dismissed from active duty.

On Milam's Farms And Ranches

News About Milam Farmers, Their Interests, And Activities

Operation Leaves Off .. Big Aid To Harvesting Crops

COLLEGE STATION — Last year 64 percent of the Texas cotton crop was machine harvested -- 13 per cent by mechanical pickers and 51 percent by strippers. The trend is upward for this type of harvesting, says Fred C. Elliott, cotton specialist for the Texas Agricultural Extension Service.

An important consideration in the machine harvesting of cotton, he says, is the use of either defoliants or desiccants for preparing the cotton plants for the harvesting process.

Defoliants are used to prepare the cotton plants for spindle picking and two groups of material are available -- dusts and sprays. Dust defoliants require leaf moisture to activate them and therefore give best results when applied late in the afternoon or early in the morning, says Elliott. Spray defoliants are available as chlorate and organic phosphorus materials. They may be used in the absence of moisture and at lower humidity levels. Thorough coverage of the plant is essential.

With ground sprayers, 10 to 20 gallons of water is recommended as the carrier for the material used, depending upon the type of sprayer and the extend of plant growth, explains the specialist. Applications of the defoliants should be staggered in order to stay just ahead of the harvesting operation and as a means of reducing regrowth, points out Elliott. He emphasizes that only recommended defoliation should be used. When 60 percent or more of the bolls are open defoliants can be safely used, he says.

Arsenic acid and pentachlorophenol are the materials commonly used for desiccanting purposes, that is preparing plants for stripper harvest. These materials can be used in water as recommended by the manufacturers. Desiccant applications should be made when more than 60 percent of the boll are open under dryland conditions and on irrigated cotton when more than 80 per cent of the bolls are open. No fiber damage should occur when recommendations are followed, Elliott says.

For detailed information, he suggest that growers get from the local county agent's office a copy of L-145, "Texas Cotton Defoliation Guide."

Mr. and Mrs. Odie Sapp and children visited her brother at Leanders recently. The Sapps recently visited a sister in Dickinson also. The Sapps and Mrs. Elmo Hearne attended the funeral of John McFarland of Leander.

Milam ASCS Report

Althoug the largest soybean crop on record and the largest cotton crop since "Choice B" days is expected, cotton producers can feel assured of a good price for cottonseed in 1962. According to Alva E. Sanders, county office manager of the Milam County Agricultural, Stabilization and Conservation Service, most of Milam County's ginners have signed an agreement with the Commodity Credit Corporation to participate in the Cottonseed Price Support Program. CCC is supporting the price of cottonseed to producers at $44.00 per ton, basis grade (100). Ginners participating in the program will be protected should a decline in the market occur.

Sanders also reports that the Secretary of Agriculture has announced that the referendum on the 1963 - crop wheat will be conducted August 30. The vote will be on the basis of a national allotment of 55 million acres. The Secretary also announced that the national average support price for 1963-crop wheat will be $1.82 per bushel if quotas are approved. If quotas are disapproved, the support price to cooperators will be on the basis of a national average of $1.21 per bushel.

COTTON REPORT

AUSTIN — Harvesting increases as drought continues. Gins are operating around the clock in the upper Coastal Bend and the harvest has moved north to Navasota. First bales were ginned as far north as Waco. Gins in the Winter Garden where cotton is irrigated are just beginning to operate. The crop is exceptionally good in that territory. Hand labor for picking is $2.50 per cwt. Labor is scarce and machines are in big demand. Machines are expected to start moving out of the Rio Grande Valley into the Coastal Bend Territory soon. This will help relieve some of the labor shortage. If the present drought and dry weather continues the harvest will be short and fast. Farmers are offering freely at reduced prices from last week. A small amount of cotton was reported as selling slightly under loan prices. Little cotton has gone into the CC loan program.

CAUTION

The Texas Farm and Ranch Safety Council passes on this word of caution to those driving in the dry areas of Texas -- Don't throw lighted matches or cigarettes onto the tinder dry grass along the highways. Fires are a real threat to the State's range forage.

Farm Sales Up, Net Income Down

COLLEGE STATION — Farmers like other businessmen, in recent years have increased their gross sales but have received less net income reports C. H. Bates, extension farm management specialist.

The nation's farmers have increased gross sales since 1945 by 46 percent but their net income has declined more than 9 percent, Bates adds. Gross income in 1945 was $25.7 billion and production expenses were $12.9 billion. Net income equaled $12.8 billion. By 1960, gross income was up to $37.9 billion but expenses jumped to $26.3 billion, leaving a net of only $11.6 billion.

Farmers have sought to improve their situation, says Bates, by shifting the inputs or "mix" of production resources. They have substituted machinery for labor. In 1940, U. S. farmers spent $1.75 on machinery and buildings for each dollar spent on hired help. By 1960, they were spending $2.77 on these items for each dollar spent for hired labor.

Another effort to boost efficiency is reflected in the amounts spent for fertilizer and lime. By 1960, U. S. Farmers were spending 4.8 times more for these items than was spent in 1940. This means a great increase in quality since prices for fertilizer and lime have increased only 50 percent.

Although comparable figures are not available on farmer expenditures for pesticides and herbicides, the trend has been sharply upward, says the specialist. These inputs have tended to keep down the cost of food to consumers, he adds.

The question is often raised, points out Bates, why do farm units continue to increase in size? A major factor behind the pressure for larger units is the use of machinery and the narrower margin received on products marketed, explains the specialist. Today's farmer must invest three to four times as much capital in fixed assets as was needed in 1940 to obtain net returns on a comparable level and the price - cost squeeze is continuing, he adds.

SEED MOISTURE

Moisture in seed cotton from humidity may not be seen or felt, but it is there, points out B. G. Reeves, extension cotton ginning and mechanization specialist. And, it limits the kind of job the ginner can do. Excess moisture in cotton usually results in the loss of grade and quality and can cost the grower as much as $10 a bale. Reeves says mechanical pickers should never be operated until the cotton moisture is down to a reasonable picking level.

J. D. Moore

J. D. Moore -- Milam County Agricultural Agent was one of six Texans to receive the Distinguished Service Award of the National Agricultural Agent's Association. These awards are made annually to a select group of County Agents, who over a period of years have made outstanding contributions to agriculture and rural living in the counties which they serve.

RHS Twirlers At SMU School

ROGERS — Rogers High School is well represented at the Cheerleader and Baton Twirler School being held at Southern Methodist University this week.

Cheerleaders attending the school are Linda Martinec, Betty Jean Sabcik, Diana Engbrock, Donna Wilkerson. They were accompanied by their sponsor, Mrs. Myrtle Wood.

From the band, the following girls are attending the school: Carol Frits, drum majorette; Carolyn Necas, Diann Bartek, Barbara Smith, Paulette Raley and Linda Mikeska, twirlers. The new band director is Charles Edward Conner.

LAMB PRODUCERS

Lamb and wool producers will have an opportunity to say yes or no to a new agreement between the American Sheep Producers' Council and the U. S. Department of Agriculture when they vote in the referendum scheduled for the period between September 10-21, points out Ed Uvacek, extension livestock marketing specialist.

PEANUT MEETING

The annual meeting of the Southwestern Peanut Growers' Association will be held in Stephenville August 17, starting time is 10 a. m.

Forrest Sapp Is 1962 Leaders Legion

Forrest W. Sapp, local representative of the Great Southern Life Insurance Company, has been honored by being named to the 1962 Leaders Legion, it was announced from the home office in Houston this week.

This organization is composed of those men in the company who produce in excess of $1,000 in the fiscal year between July 1st and June 30 and in addition, meet other qualifications in number of lives and outstanding service to policyowners and clients.

Rockdale Student To Receive Degree

DENTON — Mrs. Charlotte A. Wollridge of Rockdale is one of 519 seniors who have applied for bachelor's degrees at North Texas University this semester.

Summer commencement exercises are scheduled for 8 p. m. Aug. 23 at Fouts Field.

Mrs. Wooldrige, daughter of Mr. and Mrs. Ernie L. Laurence, is a candidate for the bacnelor of science degree in education.

4 - H CLUB NOTES

By Pat C. Garner
Ass't Milam County Agent

Senior Livestock team members entered the Duroc Judging Contest held at Llano, Saturday, August 4, 1962. Senior Team members are Penny Graves, Reed Davis and Henry Abel, Jr., all of the Sharp Community 4-H Clubs.

4-H Record Books are due in the County Extension Office on Friday, August 17.

Indications are that we will have several more record books than last year. Records that have been turned in to date are exceptionally good.

There will be a Junior Dairy Field Day held at Brenham on August 30 and 31.

Any 4-H members interested in showing dairy animals or participating in the Dairy Judging Contest should contact the County Extension Office for further information.

AUCTION REPORT

Cattle numbered 489, hogs 139 and sheep two at last weeks Livestock Auction Sale.

Prices paid were:

STEERS:		
Good & Choice Fed Steers & Yearlings	22.00	24.75
Common to Medium	20.00	22.50
Fat Cows	14.00	15.50
Canners and Cutters	10.00	13.00
Stocker Cows	14.50	17.00
BULLS	16.00	18.50
Odd Head	21.00	21.50
CALVES		
Good & Choice Slaughter Calves	24.50	26.00
Common & Medium Kinds	22.50	24.00
Culls	18.00	Down
Good & Choice Stocker Steer Calves	26.50	31.50
Heifers	25.00	Down
Medium to Good Stocker & Feeder Steers	19.50	23.00
COWS & CALVES		
Good	200.00	261.00
Medium	165.00	200.00
Plain	230.00	Down
HOGS		
No. 1 to 3 grade tops; 200 to 250 lbs.	19.10	19.60
Heavy butchers 270 to 290 lbs.	18.00	19.00
Light butchers 160 to 190 lbs.	17.00	19.30
Sows (all classes) 320 to 475 lbs.	14.10	15.40
Boars	5.10	6.60
Feeders	10.50	17.50

Local Dairyman's Cows Rate High

The registered jersey cow or cows owned by J. K. Stuart of Camer, have recently completed official production records giving them cow power index ratings. This rating indicates how many times their body weight in milk they have produced during their recent lactation.

Twice daily 305 day milking mature equivalent is, Name of cow -- Dreaming Regal's Blonde; Lbs. Milk -- 10,340; Fat -- 592; Days--305; Index Rating -- 10.3.

The American Jersey Cattle Club launched their cow power program as another service for owners of Registered Jerseys.

Miss Janice Sapp is a patient at the Newton Memorial Hospital.

Rogers Church Sets Aug. Revival

ROGERS — The Rogers Methodist Church is holding a revival meeting in the church auditorium from August 12 through the morning service August 19, according to the pastor, the Rev. Wayne Murph.

Services are being held each evening at 7:30 p. m. The concluding service will be held Sunday morning at 10:30 a. m.

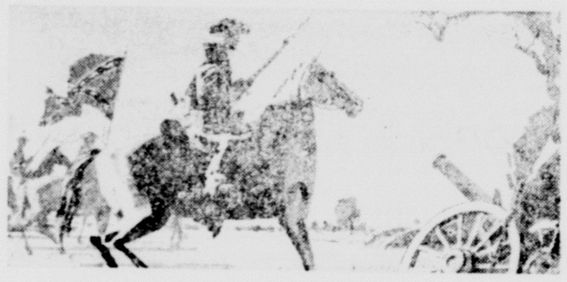
The Rev. C. Herman Murph, pastor of St. Johns Methodist Church in San Antonio and father of the local pastor is the evangelist while the pastor has charge of the musical program.

Rev. Murph stated that arrangements were being made for special music at each service.

The public is invited to attend.

It happened 100 YEARS ago

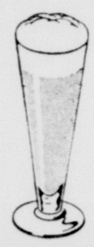
The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 .. the same year that



IN TEXAS .. the entire state waited, with hopes and prayers, for news of Terry's Texas Rangers, beloved for their courage, daring and skill as fighters. With Albert Sidney Johnston in Kentucky, in and out of Tennessee with Nathan Bedford Forrest, into Georgia with Fighting Joe Wheeler .. where there was a battle to be won for the South, the Rangers were there!

And then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality, and propriety wherever beer and ale are served.



A TOAST TO THE PAST - A SALUTE TO THE FUTURE

Texas Division

500,000 View Train At Garland Site

Upwards of 500,000 people observed the famous Cyrus K. Holliday Train as it was spotted at the Santa Fe Station in Garland, as a highlight of the town's 75th Diamond Jubilee Anniversary August 3-11, coinciding with the Santa Fe's 75th anniversary of service into Garland.

The popular train, featuring a Diamond stack, brass fittings and quaint overall design, is named after the Railway's founder and first president. It is virtually a Mobile museum that brings back romantic memories of early day railroading.

The train will next appear at Purcell, Okla, in connection with the 75th Diamond Jubilee anniversary of that community Aug. 23-24. The 75th anniversary of the City of Purcell coincides also with the 75th anniversary of Santa Fe service into the community and of the Purcell Register. James C. Nance, editor and publisher of the Register, is chairman of the City's planned anniversary program.

The Santa Fe arrived at Purcell in the spring of 1887, the town was organized shortly afterwards, and the town's newspaper commenced publication on Nov. 23rd of that year.

Former Cameronites Visit Herald Mon.

Mrs. Hugh Conway, of Alexandria, La., the former Polly McAnally and her brother, Dwight McAnally of Dallas, visited the Herald Monday. Their father, the late Oscar F. McAnally, was owner and editor of the Cameron Herald from 1886 to 1905.

Mrs. Conway and Mr. McAnally picked up copies of the Centenial Edition of the Herald dated November 24, 1960 which not only mentioned their father but their grandfather Rev. James Peeler, who with their father was co-owner of the Herald from 1886 and 1887.

Carrying on the newspaper heritage is another brother, Isaac McAnally of New York who is Editor-Writer of one of the New York papers.

The late Mrs. Lelia McAnally Batte, Milam County historian and authoress also carried on the writing tradition during her lifetime.

REPPORTABLE DISEASES

Reportable diseases in Milam County for the week ending August 11 were 42 strep throat, nine whooping cough and 12 measles according to Dr. T. E. Crump, acting director of the Milam County Health Department.

PARTIES HONOR JERRY SCHILLER

Jerry Schiller was honored Saturday night with a barbecue hamburger party at the home of his daughter and son-in-law, Mr. and Mrs. Littleton Barrett. He was also given a dinner Sunday in honor of his birthday by his wife at his home. Attending were the Barretts and Mr. and Mrs. Joe Krall of Buckholts.

216,030 CATTLE

There were 216,000 head of cattle and calves on feed in Texas on July 1 or 18 per cent more than a year ago. About 38 per cent of the total were in feedlots with capacities of 1,000 head or more, reports Ed Uvacek, extension livestock marketing specialist.

Stoskopf Stationed At Sheppard AFB

LACKLAND AFB, Tex. -- Airman Basic John N. Stoskopf,son of Mr. and Mrs. Chester R. Stoskopf of Davilla, is being reassigned to the United States Air Force technical training course for aircraft maintenance specialists at Sheppard AFB, Tex.

Airman Stoskopf, who has completed his basic military training here, was selected for the advanced course on the basis of his interests and aptitudes.

He is a 1961 graduate of North Scott High School, Eldridge, Iowa.

Students Given Draft Deferment In Most Cases

AUSTIN — Students who plan to continue their studies in college or university and those planning to enter their freshman year should not let draft calls interfer with their educational plans.

This is the advice of Col. Morris S. Schwartz, state Selective Service director, who heads the 137 Texas draft boards.

"Students will be considered for scholastic deferment and will, in all probability be given the deferment if they are full - time students and are making passing grades," Col. Schwartz recently said.

"Of course, there is no such thing as a blanket deferment for students," he continued. "Local boards grant student deferments on the basis of their best judgment, based on their regulatory powers and the individual merit of each case."

The state Selective Service director is convinced that draft boards are "conscious of the need of a continuous supply of trained and educated people in the state and nation."

Col. Schwartz said that "knowledge is the basis of strength" in the armed forces, on our farms, and in our laboratories, factories and professions.

The state Selective Service director pointed out that, under present policy, no one is drafted under age 22, except the volunteer or the man who wilfully evades the law.

"Under this policy," he said, "some young men will have a good opportunity to complete work toward some bachelor's - level degrees before being considered for a draft call."

He counseled students to seek deferments from their local boards when these deferments are needed for the students to complete their college or university work.

Texas draft boards currently have nearly 19,000 college students deferred on the basis of educational deferment in the state's consolidated potential military manpower pool.

Some college students also get deferments for their activity as students taking military training. This activity includes ROTC and other officer - training programs and enlistment in the National Guard and reserve organizations of the armed forces.

Currently there are almost 44,000 draft - registered men classified by the state draft boards as being reservists, National Guardsmen or students taking military training.

Col. Schwartz urged young men, both in and out of college, to seek information and understanding from their draft boards.

"After all is said and done," he counseled, "no one is better prepared to advise draft-age men than the draft boards."

County Agents Notes

Take Dry Cotton To The Gin

By J. D. Moore
Milam County Agent

Drink an extra cup of coffee and make money. Does this sound reasonable? It makes a lot of sense to Texans who use mechanical pickers to harvest their cotton and explains why they are in no great rush to start their pickers early in the morning.

The wise farmers wait so that cotton moisture can drop to a reasonable picking level, says G. B. Reeves, extension cotton ginning and mechanization specialist. This waiting can get them a full grade or more when they go to the gin, adds Reeves.

Regardless of how dry the weather, cotton should never be harvested at night nor in the early morning or late evening. Even on the driest day, cotton will probbably never be dry enough for machine harvest until 8 a. m. or later.

Moisture in seed cotton from humidity may not be seen or felt, but it is there. And, it limits the kind of a job the ginner can do. Excess moisture in cotton usually results in the loss of grade and quality and this in turn can cost the grower $10 or more per bale, points out Reeves.

The ginner must increase the heat in the dryer to try to get desirable grades from high moisture cotton. Using more heat increases the danger of fiber quality damage on the bale being ginned and the bale following. Over drying can result and this makes for the kind of cotton the mills don't want.

How can you know when to start your mechanical pickers: Delay harvesting until relative humidity in the field at boll height is 60 per cent or less. Normally, 60 per cent relative humidity is correlated with 8 per cent lint moisture. If you don't have a hygrometer or cotton moisture meter, pick a handful of cotton, squeeze it tightly in your hand and release it quickly. If the cotton fluffs out when released, it is dry enough for mechanical picking. Otherwise, wait and make the test again later. And make the test at several different spots in the field.

Miss Reid At National Meet

BELOIT, Wisc. -- The National Study Conference of the United Campus Christian Fellowship will meet here at Beloit College Saturday through Thursday, August 25 through 30, to study some of the major issues faced by the campus Christian movement.

Some 800 students including Helen Reid, of Cameron, faculty and campus ministers from all parts of the United States, including Hawaii and Alaska, will participate in thie Conference. The National Council, an elected body of 100 delegates from 30 Regional Councils, will also meet here for 4 days (August 30 through September 2) immediately after the Study Conference.

This is the first Study Conference since the United Campus Christian Fellowship was organized in 1960 at Columbia, Missouri. The delegates will attempt to relate the vocation of Christians to such issues as world revolution, culture, education and others.

COTTON HARVEST

An important consideration in the machine harvesting of cotton, explains Fred Elliott, extension cotton specialist, is the use of defoliants or desiccants for preparing the cotton plant for the harvesting process. He suggests that growers contact their local county agent for a copy of the 1962 "Texas Cotton Defoliation Guide" for detrailed information.

Miss Gladys Marie Jahn

Mr. and Mrs. Krank Jahn of Burlington announce the engagement and approaching marriage of their daughter, Gladys Marie, to Herman G. Mueck, Jr., The wedding is planned for October 6 at St. Michael's Church in Burlington. Miss Jahn is a 1960 graduate of Rosebud High School and also of Durham Business College of Waco. Her fiance is a 1960 graduate of Yoe High School of Cameron. Miss Jahn and Mr. Mueck are both employed in Houston.

Frances Ann D'Amato

Mrs. Mary D Amato, of El Monte, California announces the engagement and approaching marriage of her daughter, Miss Frances Ann, to Charles Joseph Matula, son of Mr. and Mrs. Charles J. Matula, of Cameron. The bride - elect is a 1962 mid - term graduate of Arroyo High School, El Monte, California. The benedict - elect is a 1959 graduate of Yoe High School, Cameron, and is presently serving aboard the submarine, U. S. S. Growler, Stationed at Pearl Harbor, Hawaii. The wedding will take place September 15, 1962, in the Catholic Church in El Monte, Calif.

Rice Party Honors Kathryn Svetlik

Miss Kathryn Svetlik, bride-elect of Kenneth Janicek was honored with a rice bag party at the home of Mrs. Ernest Fuchs, Jr. Hostesses were Mr. Milton Wright Jr. of Dallas and Mrs. Urfa Adams of Austin.

Rice bags were made of taffeta and net and games were played on the lawn.

The table was covered with a lace cloth over blue taffeta and centered with a white bell with streamers and love birds. The favors were double wedding bells inscribed with Kathryn and Kenneth. Crystal and silver appointments were used.

Mrs. Byron Wise of Cameron served the punch and Miss Elwanda Holland of Cameron served the cake squares.

Wedding Vows At Westphalia For Klasek - Huser

At a Nuptial High Mass on July 30 Viola Klasek became the bride of Herman Huser at Visitation Church, Westphalia.

Rev. Edward Rabroker performed at the double ring ceremony and Rev. George Rabroker sang the High Mass. The Rev. Rabrokers are brothers of the bride.

The bride, given in marriage by her father, was attired in a street length dress of hycianth blue lace over taffeta with all accessories in matching colors. Her flowers were of creamy yellow sweetheart roses atop a prayerbook; entwined with a mother of pearl rosary, carried by her mother at her wedding nearly fifty years before.

Mrs. Hueben Sliva of Lott, sister of the groom, was matron of honor. She wore a dress of champaigne colored brocaded taffeta and matching accessories. The dress featured a moulded bodice and bouffant skirt accented with a cumberbund.

Bridesmaids were Kay Huser, Beeville and Mary Rabroker of Dallas nieces of the groom and bride respectively. They were attired in buttercup yellow organdy over satin with wide sashes and wore picture hats. All attendants carried cascade flower arrangements of bronze miniature mums.

The groom's brother-in-law, Rueben Sliva, was best man. Ray Rabroker, Westphalia and Clement Huser of Beeville were the ushers.

A reception was held following the ceremony.

Mrs. Frank Ehler, Cameron, registered guests and displayed gifts. Miss Ketherine Huser, Beeville and Mrs. B. M. Rabroker of Westphalia served the wedding cake. Mrs. Charles McDermott of Cameron and Mrs. Jim Doskocil, Arlington poured the coffee. Mrs. Ray Rabroker Westphalia and Mrs. Joe Juranek of Beeville presided over the punch service.

After a short wedding trip the Husers are at home in Lott where Mr. Huser is employed in his brother - in - law's business.

Parents of the couple are Mr. and Mrs. Ben Rabroker of Westphalia and the late Mr. and Mrs. Frank Huser of Beeville.

Henrichsens Visit Relatives Here

Mr. and Mrs. W. A. Henrichsen of Edinburg visited his mother Mrs. Anne Henrichsen a few days on their way to Lexington, Ky. where Mrs. Henrichsen will attend the National Home Demonstration Council Conference Aug. 12-15.

While the ladies attend the business sessions the men will be taken on tours of Experimental Farms, the Tabacco Industry and Horse Farms. Other tours to include all guests will be to Historical Points of interest, the Bluegrass and other Horse Farms.

Mrs. Henrichsen will be a delegate from District 12 of which she is vice president. District 12 comprises 108 Home Demonstration clubs, approximately 1400 members in the 22 county area.

Mrs. Larry Francis Harbour

Merka-Harbour Vows Read In Rogers Sat.

Miss Pamela Kay Merka and Larry Francis Harbour were married 3 p. m. Saturday in the First Baptist Church in Rogers.

The bride is the daughter of Mr. and Mrs. J. H. Merka of Rogers and the groom is the son of Mr. and Mrs. B. F. Harbour also of Rogers.

The Rev. Clyde Lee Herring, Pastor of the First Baptist Church of Rogers, administered the vows at the double ring ceremony. Joe Mathis was soloist and Mrs. Marvin Ralston was organist.

Given in marriage by her father the bride wore a gown of chantilly lace featuring a fitted bodice with a sabrina neckline edged by re-embroidered lace enhanced with seed pearls. The full skirt featured scattered lace medallions and flowed into a chapel train. Her jewelry was a diamond drop necklace, a gift of the bridegroom. Her fingertip veil of silk illusion fell from a crown of Venetian lace. She carried a bouquet of Stephanotis, white rosebuds and English ivy. Mrs. Wray Durnal, aunt of the bride, made the wedding dress for the bride.

Mrs. W. F. Jurca, cousin of the bride of Springfield, Mo., was Matron of Honor. Maid of honor was Miss Jan Merka, sister of the bride of Rogers. Bridesmaid was Miss Linda May Moore, of Gladewater and bridesmatron was Mrs. Douglas Hill of Waco.

Attendants were attired in shell pink shirred peau de soie street length dresses featuring modified bell shape skirts and matching bodice of overlace. Their headpieces featured circular veils and they carried bouquets of shell pink carnations.

Bestman was Lt. Bruce H. Harbour, brother of the groom of Pope AFB. Groomsmen were Perry Harbour and Brian Harbour, brothers of the groom of Rogers and Joe Thompson of Houston.

Ushers were W. F. Jurca, Springfield, Mo., Robert Christian of Houston and Marvin Ralston of Rogers.

A reception followed the ceremony at the Rogers High School Gymnasium. Guests were registered by Miss Barbara Smith of Rogers.

Others in the house party were: Mrs. Carl Choate, Miss Terrilyn Gregory, Miss Barbara Jean Lee, Miss Jacque McDonald all of Houston, Mrs. Joel Mathis and Mrs. Milburn Price of Waco, Miss Ann Massey of Kerens and Miss Frances Rucker of Killeen.

Misses Nancy and Margaret Ann Zajicek, cousins of the bride, passed out rice bags at the reception.

The bride's table was accented by the three tiered wedding cake. The centerpiece was formed by the brides and bridesmaid's bouquets. Silver appointments were used.

The grooms table was covered with brown linen and featured brown candles and copper appointments. A single ring chocolate cake was served.

For the weding trip the bride chose a cocoa silk ensemble with matching accessories and the corsage from her bouquet. The couple plan to make their home in Victoria where the bride plans to teach and the groom is employed with Humble Oil and Refining Co.

Both the bride and groom are graduates of Rogers High School and Baylor University. The bride's social club was Alpha Omega. The groom was a member of the Baylor Chamber of Commerce and lettered in track and football.

The grooms parents were hosts for the rehearsal luncheon Saturday in Temple. Yellow and orange flowers were used in table decorations.

Card Of Thanks

I wish to thank Cameron and Buckholts Fire Departments and other fire fighters, neighbors and friends who took part in saving my home and farm buildings in Tuesday's fire.

count on GAS heat to pour on the comfort when other kinds of heat fail!

Hard to believe now — but it does get chilly here. Doesn't bother GAS heat. It never gives up because the air gets too frozen for "heat pumping." Never needs repairs for complicated moving parts (needs none to produce heat). Never gouges your pocketbook for doing the job — GAS is the lowest-cost heat you can buy!

It's smart to modernize with GAS heat now... call your heating contractor or LONE STAR GAS

Then take a good look at safer savings... First Federal Savings "The most trusted name in savings" now pays 4½% with each account insured to $10,000 by a Federal agency.

Roberts Outlines Football Data

Coach John Roberts this week listed fourteen ways in which the boys who participated are benefited. He quoted "Bernie" Bierman in his book "Winning Football".

Roberts said the first advantage was that the game is an aid to physical development. Next is valuable disciplinary training. Next is mental training to enable him to make decisions at a fast rate of speed. Roberts said that the boy who plays the entire game makes over 250 decisions. While football is chiefly considered a physical game the mental side of the game is more important than the mere physical.

Fourth, the boy learns team play which has a great carryover value in future life. A fifth reason, Roberts quoted, was that the boy learned how "to take it" and accept the bad breaks wih success. Also the boy learns the real meaning of sportsmanship as the game offers many temptations for unsportsmanlike conduct.

Roberts went on to say that the boy builds up courage and learns the pitfalls of self - satisfaction. One of the things that he learns is that the time that he feels on top is not to relax here because the next thing he knows he has been dropped down causing a mental and physical letdown.

The boy is putting himself in a laboratory where everything works out similar to events in his later life. A tenth reason is the ample opportunity to develop his weakness of character and learn aggressiveness which is necessary for success. Also it is here that he has a fine opportunity to study human nature.

Twelfth, Roberts continued, the boy is taught to perform a difficult, not always pleasant, duty and get a thrill out of it. Next the boy is hardening himself in a world that is growing soft. Football gives the boys an opportunity to develop many of the factors that contributed to the hardening of the boy of the pioneer days.

And last on the list is the way in which the game makes the boy see the value of a well rounded life. This well rounded type of man is more successful in later life than one which has only one pursuit.

To sum it up Roberts said "One of the most valuable lessons one learns is the idea of discipline and self - sacrifice. If a boy learns to pay the price, in one phase of his life, namely football, this early in life it should have a great carryover value in the rest of his life. I believe that all of us that are out of school know we succeed according to our ability to sacrifice in order to gain our objectives.

"In our case the coaches must determine, for the squad, what efforts it will take in order to have a successful program and we must push the squad in order to get this kind of work out of the boys. I feel a moral responsibility that every boy I put on the field is in top physical condition.

Don't pity the tired sore foothall player. First he doesn't expect it -- it's a mark of the sacrifices he has made to obtain to gain a high degree of physical conditioning of which he is justly proud and there is a chance that too much pity will break down his mental toughness.

Roberts also referred to an article in LOOK magazine on the dangers in football and the steps to combat the dangers.

Barbecue, Dance Honor Guardsmen

Ray Lester and Pearl Distributing Company sponsored a barbecue and dance for the returning members of Milam County's National Guard.

There were about 120 members and guests in attendance at the event last Saturday. Special guests at the event were members of he Cameron Couples Club and county and city officials.

Rev. Hilton Griswold and family from Newton Iowa have returned to their home after spending their vacation with relatives and friends in Cameron.

Coaching Staff Filled At Yoe

With the addition of Raymond Bennett the 1962 Yoemen football coaching staff is filled. Coach Bennett will arrive in Cameron August 18 to assume assistant coaching duties.

Bennett is an August graduate of Austin College where he was captain of the team, starting guard and president of the Letterman's Club. His name is familiar to Cameronites as his father coached at Yoe High School in the late 1939's under Coach Carroll Woods. The Lufkin High School graduate will work with the guards and centers.

Head Coach John Roberts, who came to Cameron last January was an honor graduate at Texas Tech. He was freshman back coach at Tech before moving to West Texas State as assistant varsity coach in 1960 and 1961 under Joe Kerbel.

The backs and ends will be coached by Joe Davis a graduate of Austin College at Sherman. Davis served for a year the freshman coach at Austin College before going to Nacona. At Nacona he coached basketball and football for two years before coming to Cameron.

Carl T. (Sonny) Everett will serve as the end and tackle coach. On the 1954 Breckenridge team he was AA All - State end and played at Rice University until an automobile accident ended his playing career and he transferred to North Texas State College to graduate. Before coming to Cameron he was line coach at Pecos for two years.

Practice Begins Mon. For Football

Coach John Roberts announced the two - a - day football practice will begin Monday at 7 a.m. with the evening practice at 7:15 p. m.

Physicals will be given at 6:30 Friday evening for all the boys out for varsity football. Roberts stated that these were necessray for the boys to insure that they were in good physical shape to begin practice Monday.

Coach Roberts stated that the team will run a "pro type" offense with splitends, ends shifted for an unbalanced line, wing or flanker backs and the man in motion.

With one of the toughest schedules in four or five years ahead Roberts will be counting on strong halfbacks and interior linemen to carry the load. Inexperience at ends and in the backfield will be a problem but Roberts hopes to solve it with some of the boys that didn't play a lot last year.

City Golfers At Waco Tournament

Several members of the Cameron Ladies Golf Assn. went to Lake Waco Women's Invitational Golf Tournament this week. They were Mrs. Earl Curtis, Mrs. Melvin Ford Mrs. Eddie Magness and Mrs. Bob Wells.

Mrs. Wells won Low Net in the field with a 63 to win a Golf Umbrella.

Hollas Families Hold Reunion Sun.

The decendents of the Frank Hollas family held their annual reunion at the Knights of Columbus Hall in Cameron Sunday.

The seventy - six members and guese enjoyed a covered dish dinner and supper. There were three generations in attendance.

Out of town families included Mr. and Mrs. Bill Pierce and family of Springfield, Mo.; Mr. and Mrs. Jim Kleypas and family of Temple; Mr. and Mrs. Douglas Beck and family of Temple; Miss Christine Hollas of Fort Worth; Mr. and Mrs. Elmer Sheblak and family of Ganado, Mr. and Mrs. Charles Sheblak and family of Edna Mr. and Mrs. Albert Hollas and family of Edna and Mr. and Mrs. Albert Kruhl and family of Austin.

Card Of Thanks —

We sincerely appreciate the many gifts of flowers and food sent the Jerry Marchak family and the kind words of condolence for the loss of our dear brother. God Bless all of you.

Murray Go Round

By Tom Murray

FROM THE INSIDE:

Abe Martin not only signed his best fullback prospect since Jack Spikes in Cameron's Ernie Bayer. New Frog Baseball Coach Frank Windegger is bursting out all over since Bayer hit .500 for the Yoe High baseball team ..... Quick, how many outside Taylor realize Dick Moegle's brother, Bob, is an outstanding schoolboy baseball coach at Lubbock? ..... Or, that Lee Roy Caffey, Texas A & M's great linebacker, had few offers after graduating at less than metropolitan Thorndale?

James Saxton, Texas' all - toe All - America running back, was escorted to the edge of matrimony by the same old cast. Quarterback Mike Cotten, Halfback Jack Collins and Defensive Specliast Drew Morris were ushers as Saxton married Carol Ann Logan, his high school sweetheart, at Palestine's First Methodist Church.

Darrell Royal still reaps harvest from a 1957 decision to install Lan Hewlett, Lockhart High School Science teacher, as full-time scholastic conselor for his Longhorns. Not a single varsity failed in either the fall or spring semester ..... Charlie Hartenstein, Texas' outstanding sophomore pitcher out of Seguin, will soon be a father ..... Did you know that Clint Hartung, the post - war pitching hitting phenomena out of Hondo, has settled at Sinton, where the one-time New York Giant ended his playing career with the semi-pro Plymouth Oilers?

THEN SOME MORE:

Everybody write down the name: Bobby Jancik -- everybody except those in the Richmond - Rosenberg area, or Lamar Tech, that is. You will be reading of Bobby's antics as a Houston Oiler. Outsiders may be surprised, but folks who know him are ever taken aback with Jancik's successes ..... As Texas coaches review films of their successful 1961 season, they become even more convinced of the greatness of Richmond's All-SWC End Bob Moses. These seems no end to key plays involving the talented blond, now property of the Dallas Cowboys.

Democratic Brazosport High has a Rice Principal, Baylor Head Football Coach, Texas Line Coach and Aggie Baseball Coach. Former Rice Quarterback Virgil Eikenberg is the principal; former Baylor Line Coach Hardin Cooper is the successful head grid boss and his line coach is June Davis, all - SWC linebacker at Texas in 1951 - 52. Then J. B. Carroll, Aggie baseball star, is the new diamond tutor. Greatest of them all however, is a graduate of Sam Houston State -- athletic Director Herbert Hopper.

Larry Bulaich, the TCU frosh halfback sensation out of LaMarque, has been likened to Texas' Tommy Ford, he's so hard to get off his feet ..... Baytown, that great fount of college athletic material, had sophomore aces wild during the past school year. Roy Wolfe was one of two outstanding fire - year men in SWC basketball for Baylor. Jerry Walters was the Conference's No. 1 sophomore tennis player at Texas and Jay Smith was one of the top soph swimmers in the loop for Hank Chapman at Texas.

Wally Moon, the Aggie Dodger, claims he saw a ball hit to left field at San Francisco that ended up being caught by the right-fielder after it tangled with that tricky Frisco wind current .....

CED Asks Farm 'Migration'

The Committee on Economic Development proposes, according to Congressman Poage's weekly newsletter, that 2 million more farm workers be moved to the city. He finds this a quick way to "finish off most of our small towns, as well as many of our farmers."

It becomes obvious that small towns no longer face the competition of diminishing numbers of farms and job opportunities. They face the possibility of organized movements to cut the wound clean, allowing little opportunity for small towns to keep pace with mammoth city development.

It becomes absolutely essential that small towns like Cameron, and Rockdale, Marlin and Brenham, Hillsboro and Georgetown, among many others, focus all - out efforts on industrial location to offset the pressure of metropolitan growth.

It becomes a race for civic survival, with the deck dealt by city planners who, even now, seek to bring rural life as we know it to an end.

Such developments commend local efforts for an industrial development. One might go further and say conditions demand the greatest type of civic operation for new sustenance, new growth. Property values, business volume, land values, jobs, the whole structure of small town life is under fire.

The normal attrition of rural areas and small towns will be accelerated by, attitudes put forth by the CED. Their viewpoiont finds no support now, as Congressman Poage notes this week, but how long will it be until state and federal legislatures are dominated by city representation? Reapportionment allows only a few years.

Everything points to a need for the farm and small towns to close ranks behind concentrations of efforts for greater modernization of thinking, planning and doing if they are to weather this competition. There is little time left.

A Carrot of Our Own . . .

Pavel Popovich ..... Andrian Nikolayev ..... These are the latest Soviet cosmonauts circling the globe in the dual satellite launching of last weekend.

Again, Soviet science dangles its carrot before the United States. Again, Russia launches an offensive of science, which quite likely, precedes some cacophony of propaganda having something to do with the Berlin situation, Laos or other Soviet troublespots.

Russia plays loud the chorus of satellite success while her agriculture dawdles in inefficiency and under - production. She indeed takes the giant step to the moon, where the U. S. hopes to follow.

When shall we subscribe to countering their success with a success of ours . . . in a different clime? Why not a stride of leadership, rather than our inevitable press to chase the carrot? Why not some dramatics at the Berlin Wall, now a year - old tribute to communist economic failure and Western inertia?

Why not a carrot of our own, dangling in front of a show of confidence, of force, of character, over the Berlin Wall? We are sick of seconds.

Dateline — Austin

49th Receives Gov.'s Welcome

By Vern Sanford

AUSTIN — Members of the 49th Armored Division of the Texas National Guard received a personal "Welcome home" from Gov. Price Daniel. He greeted them in front of the State Captiol.

Afterwards the Guardsmen paraded down Congress Avenue, then dismissed for their homes and civilian jobs.

Governor Daniel told a crowd of about 500 spectators:

"When the President moved to augment the active army in the face of the Berlin crisis last year, the Texas National Guard was ready for this obligation, just as it always has faced up to its responsibilities since the first conflict by Texas civilian - soldiers at Anahuac and Gonzales in 1835."

Among the returning soldiers was a father and son team, C. H. and Ronald H. Cheshire, both highway patrolmen with the Texas Department of Public Safety.

C. H. Cheshire, a chief warrant officer with the 49th, organized 42 other department employees, including his son, Ronald -- into the "Texas DPS 49ers" during their stay at Fort Polk, Louisiana.

All have reported back to their civilian boss, Col. Homer Garrison Jr., DPS director. But the department still is 100 men short.

MORE MONEY FOR WELL STUDY

Gov. Daniel has okayed the release of $105,000 from Texas Railroad Commission funds to finance additional equipment, personnel and other expenses connected with the investigation of slant well drilling and oil production operations and pollution of public waters.

He also authorized Atty. Gen. Will Wilson to adjust his present appropriations to cover slant-well and anti - trust investigation expenses.

Meanwhile, the Railroad Commission called a temporary halt to oil well testing in East Texas and Hawkins fields, in order to rearrange personnel.

TWO TERM LIMIT?

Another effort may be made to limit the term of office of the governor.

Similar resolution was unsuccessfully sponsored in the 57th Legislature. New proposal would set the governor's term at four years. It provides that he could not succeed himself in office.

Many legislators feel that such a system actually stretches a political life rather than limiting it.

PRESSURE POSSIBLE HAZARD

When Brad Smith, the governor's traffic safety assistant, learned that a fatal automobile crash occurred every other hour and a car wreck every hour, for three consecutive days, he decided it might be due to the weather.

Study revealed that the barometric pressure had dropped to a low point the day previous and stayed low through the three day period.

Smith, a former newsman, said that reporters always look for unusual happenings when the barometer falls and remains low for a few days.

"I am now convinced that oppressive weather has a decided effect on some personalities," he said. Scientists call the effect of weather on people "bio - climatology."

DIVORCE STUDY STARTS

House Interim Committee on Divorce held its first meeting.

Committee, headed by Rep. Renal B. Rosson on Snyder, was created by the 57th Legislature to study divorce laws, with special attention to: Rights of children; methods of promoting and protecting family life; and possible ways to encourage reconciliations.

Texas now has the fifth highest divorce rate in the nation. More than 28,000 divorces were granted here in 1961.

Members of the study group include Reps. David Crews of Conroe, Paul B. Haring of Goliad, Henry Fletcher of Luling and Charles Whitfield of Houston.

MENTAL HOSPITAL CROWDED

State mental hospitals are crowded with elderly persons physically but not mentally ill.

Dr. C. J. Ruilman so reported to the House Committee on Saving Taxes.

Dr. Ruilman, director of mental health for the State Hospital Board, said about 25 per cent of the 16,000 patients in state hospitals are more than 65 years old.

"Our problem (in cutting state hospital costs) rests with patients who are physically sick., he said. "Of 3,500 elderly patients in state hospitals, only about 1,400 have serious psyciatric disorders."

Government To Go To El Campo For One Day

EL CAMPO -- The government of Texas actually will be taken to the people during "Operation Hometown" when Lieutenant Governor Culp Krueger diverts his own "Governor - for - a - Day" ceremony, September 8, from the traditional Austin Captial City site.

Thus, massed state agencies will become mobile for the day and will provide exhibits, booths and other reflections of their routine affairs statehouse in Austin.

This coastal plains city of 8,000 is happily anticipating the distinction of being the "State Capitol" for the day.

Temporary quarters will be provided for the varied installations, with tents of assorted sizes and designs favored. Private homes will be utilized on a large scale to supplement existing transient housing facilities.

El Campo considers itself a typical Texas small town; but the local citizens, rallying behind their favorite son, are positive they have just that extra everything, as one native put it, to make this novel day in Texas history a worthy event.

Gov. Krueger is a good example of the aggressive El Campo type. He is publisher of the local newspaper The El Campo Leader News," which is considered one of the finest weeklies in the South, and also is owner of Radio Station KULP. He is a ranking member of the Texas State Senate and honored by his fellow senators by being named Acting Lieutenant Governor and President pro - tem of the Senate pending the election of a Lieutenant Governor to succeed Ben Ramsey.

THE OLD PHILOSOPHER

Philosopher Tries To Relieve Expert's Worry Over What He'd Do With A Tax Cut

Dear editar:

The difference between an expert and an ordinary man sometimes can be found in the kind of problems that bother them.

For example, I was reading in a newspaper last night during a television re - run which I wasn't interested in the first time that an economics expert in Washington was debating whether a tax cut should be made this year.

Now the phase of the question that was bothering him was not whether the government could afford it but what would the people do with a tax cut. I mean, he said that if the people took the tax cut and spent it, that'd be fine, it would stimulate the natiinal economy, which he claimed was the purpose of the proposed cut. But he continued, if the people took the cut and put it in the bank, this wouldn't stimulate the economy and would defeat the whole purpose, and this was causing him some grave concern.

This is what I'm talking about. It's hard for me to understand how a man can become so expert in his field that he can't know automatically what I'd do, along with 99 per cent of the rest of the people, if the government gave us a $100 tax cut. It's a situation about which it's hard to keep a straight face.

But to ease his worries, I'd like to assure him that if the government will give me a tax cut, I will recognize my duty to my country and do my best to stimulate the national economy. I will not uneconomically, not to say unpatriotically, hide it in a matress, bury it in a bank vault, or even hoarde it in a savings bond. No sir. The minute I get it, I'll head for Cameron and stimulate the economy.

If that economics expert is seriously worried about me and most others taking our tax cuts and holding on to them and drying up the springs of business, I'd say he is approaching the point where he has run out of something to worry about, except maybe his own knowledge of people. I have a notion that if he'll look around, even just among his fellow economics experts he'll find they're about as over - drawn as the rest of us.

Yours faithrully,

J. A.

Mrs. Clyde N. Dodson and sons who have made their home with Mrs. C. N. Dodson the past seven months have joined Capt. Dodson in Verdun, France.

Santa Fe Salutes
100 Years
of Land Grant
Colleges and Universities

Land-grant colleges and universities throughout the nation are celebrating the centennial of the Morrill Act—the Congressional act which established their being.

In the areas of agriculture, engineering, mining, and industrial technology—the land grant colleges have contributed enormously to the strength, wealth, and general well-being of the states they serve.

Santa Fe, a partner in the progress of our nation, is proud to salute the nineteen land grant colleges and universities in the states we serve.

Something you should think about if you're about to buy a truck:

If all trucks were built the same way, cost the same to keep up, were worth the same at trade-in . . . then probably the price tag would be your only concern. It can't be, of course, because some trucks have more quality than others. And marks of quality are the real keys to low cost.

Chevrolet trucks, for example, have double-wall construction, which gives bodies and cabs more strength. Cabs are insulated against heat, cold and noise. A big part of road shock, which shortens truck life, is damped out by Chevrolet's suspension system; it also makes riding in the truck a pleasure. Pickup bodies and cabs are separated to eliminate stress between them.

Value such as this has induced more people to invest in Chevrolet trucks every year since 1937.

This can be a good time to buy a modern new Chevrolet truck

Late summer traditionally is the season for all-around savings on a new Chevrolet truck . . . selection is still good . . . deliveries are prompt . . . and Chevrolet dealers are doubly anxious to put you into a new vehicle in order to make way for next year's models. Coupled with the efficient performance a new Chevrolet truck will give you, it seems evident that you couldn't buy at a better time.

Come in and take full advantage of it!

P. O. Box 577
Cameron, Texas

Editor, Cameron Herald
Cameron, Texas

Dear Sir:

The Members of Co C 3d Med. Tk. Bn - 112th Armor would like to express their sincere "THANKS" for the Welcome Home they received from the Citizens of Cameron. Special thanks go to John Schigut, President of the Lions Club; Dana Kestenbaum, President of the Rotary Club; E. O. Schiller Jr., president of the C of C; Coleman Duncum, City Mayor and Mr. Milton Schiller, Nominee for State Representative who handled the Welcome Home ceremonies in an excellent manner. Also thanks go to Mr. Francis Cox and the Yoe High School Band for their excellent performance, which everyone enjoyed.

The members would like to say, "We're happy to be home and are ready to pick up where we left off last October, for we too would like to see Cameron grow."

Sincerely,

Joe L. Vybiral

Buckholts —

Buckholts School Opens Sept. 3

Buckholts School schedule has been announced by the superintendent, Leon L. Brady.

The first day of school will be Sept. 3, 8:30 to 3:30. Buses will make the regular run and lunch will be served in the cafeteria.

Registration will be Friday, Aug. 31, 9 a. m. Buses will run at 31, 9 a. m. Buses will run at 8 a. m. and will return the students to their homes leaving the school at 10:30 a. m.

First grade students who did not register in the Spring or who have not attended the school before should be accompanied by a parent and present a birth certificate and evidence of immunization against small pox, diptheria and typhoid fever.

The school has a new agricultural building, housing FFA classroom and farm shop. Gene Beyer, Ag. instructor, has recently been notified that he will be awarded the Honorary Lone Star Farmer Degree for outstanding work in the community.

Members of the facutly will be Mary Walschak, Wilma Whittington, Stella Chamberlain, Arnett Zelisko, Gene Beyer, Katheryn Svetlik, Mrs. Jimmy Hauk, Jimmy Hauk, and Leon L. Brady.

Hauk replaced Lester Hanke as head coach. Hanke accepted a position on the Copperas Cove School staff.

Brady replaces J. W. Perry as Superintendent. Perry accepted the position of Supt. at Moody. Brady was connected with the Cameron School system from 1954-1960.

Services Held For Mrs. Burke

Funeral services for Mrs. H. C. Burke, 90, were held 2 p. m. Sunday.

Mrs. Burke died at her home in the Ad Hall community Friday morning. She was a lifelong citizen of Milam County. She was born August 9, 1971 at Salem. She was a member of the Buckholts Methodist Church.

Services were conducted by Rev. C. A. West of the First Metho- and Rev. Henry Apperson of Buckholts, at Marek - Burns Funeral Home. Burial was in Corinth Cemetery.

Surviving are two sons Otis Burke of Austin and Henry Burke of Ad Hall; one daughter Mrs. Steve Zawadzke of Buckholts; one sister Miss Imo House of Cameron; 10 grandchildren and 19 great grandchildren.

John Mraz Rites Held Here Tuesday

Funeral services for John J. Mraz, 76, were held Tuesday at St. Monica's Catholic Church. Rev. John Geiser and Rev. Paul McCallum officiated with burial in St. Monica's cemetery.

Mraz was born August 1, 1885 in Moravia and died August 11 in a Houston hospital. He was a retired blacksmith. Rosary was read Monday 8 p. m. at Marek - Burns Funeral Home. He was a member of the SPJST Lodge of Cameron.

Surviving are three sons Wm. G. Mraz of Houston, Leonard Mraz of Temple and Mainrod Mraz of Montana; two daughters Mrs. Margaret Boudreaux of Lake Charles, La.; Mrs. Anna Peters of San Diego, Calif; two sisters, Mrs. Anna Steinacher of Houston and Mrs. Betty Weidel of Flatonia; nine grandchildren and 10 great grandchildren.

Burlington —

Irving Guests Visit Relatives Over Weekend

By Mrs. George Logan

Mr. and Mrs. Will Stoebner of Burlington, Miss Willie Mae Stoebner of Temple, Mrs. Walter Kosel of Ben Arnold are home from a trip to Plainview Texas, where visited Mr. and Mrs. J. D. Boedeker and son Mike and Mr. and Mrs. Weldon Foster and Mr. and Mrs. Leo Boedeher and Lynn and other relatives. They made a trip through Palo Duro Canyon.

Mr. and Mrs. Thomas Stoebner were guests of Thomas' parents Mr. and Mrs. Will Steobner here last weekend.

Mr. and Mrs. Le Roy Chollett and children left for their home at Abernathy last Thursday night. They and Mrs. Ray Schonhoefft were in Temple Wednesday for a visit to Mr. and Mrs. J. N. Bowen.

Thomas Polk is out of the army now. He and his wife and mother and sister left for Abilene Saturday. Mr. and Mrs. Polk are on a two weeks vacation.

Misses Ruth and Georgia Barkameyer of Denton were here for a recent weekend with their parents Mr. and Mrs. George Barkameyer.

Mr. and Mrs. George Barkameyer were at LaMarque for a visit to his sister and brother-in-law, Mr. and Mrs. Henry Boehme recently.

The Public school begins here Sept. 3. Teachers are Mrs. J. D. Martin and Mrs. Gus Plentl. Mrs. Ray Schonhoeft will be in charge of school lunch room. Terrel Prescott will be school bus driver from Burlington to Rosebud.

Mr. and Mrs. Ruby Wensch and family of Barclay and Rev. and Mrs. Wm. Wuerz partor of Ben Arnold E&R Church were guests of Mr. and Mrs. A. E. Hensel Sunday night.

Joan Olbrich spent last week in Waco in the home of Dr. and Mrs. Lloyd Wesserman and family.

Mrs. Dan Driscoll and daughter Ruth of Houston spent last weekend here visiting Mr. and Mrs. Ben Fox and Reuben and Mrs. Celia McSherry.

Mrs. Jerry Pagach of Bryan spent last Tuesday here with Mrs. Hattie Benesh.

Mr. and Mrs. Raymond Chollett of Cameron were here for a visit to his father Hugo Chollett. All made a trip to Six Flags near Dallas.

Mr. and Mrs. Bill Marek of Dallas visited relatives here last weekend.

Rev. Rolth Fletcher of Baylor, Waco preached at the Burlington Baptist Church Sunday and Sunday night. The church has called him as pastor for half time. He was a dinner guest of Mr. and Mrs. Ollie Mode.

Mr. and Mrs. Charlie Boehme were guests of their son Melvin and family at Temple Sunday.

On Aug. 12 the Golden Wedding Anniversary of Mr. and Mrs. Charlie Boehme was celegrated at D. Brown Library from 11 a. m. to 5 p. m. All of the children were present except M-Sgt. Edgar who is in Washington. Mr. and Mrs. Howard Callison and family of Pryor, Okla, Mr. and Mrs. Henry Boehme and family of LaMarque, Mr. and Mrs. Arthur Boehme and family of Waco, Mr. and Mrs. Edwin Boehme and family of Mexia, Mr. and Mrs. Melvin Boehme and family of Temple were all present.

First Baptist Church Schedules Convicts To Speak To Youth

Four inmates of the Texas Department of Correction will speak to the teenagers and young people of the community and surrounding area 7:30 p. m. Monday August 20 at the First Baptist Church, Cameron, according to Rev. A. H. Russell, pastor of the church.

The occasion is the Youth Rally of the Milam Baptist Association. The theme is "Operation Teen Agers."

These four young men together are serving a total of 505 years in prison sentences and the crimes they have committed ranged from armed robbery to murder.

They devised the program "Operation Teen Ager" themselves for the purpose of showing all young people the mistakes they made that put them in prison. It is their hope that by telling their stories it will prevent teenagers from following the same route that they had taken.

STORY NUMBER ONE

Number one came from a good family. He had always had a new car, new clothes and a fine home, but he still went wrong.

His first faults were small ones, skipping school and cheating on tests, but these same habits followed him to college. He obtained a bachelor's degree and began working for a large company. He began to thirst for money and stole from the company. Though his parents replaced the money the first time, the next time he took a gun and robbed. He wouldn't admit to himself that he was stealing; he couldn't face reality.

STORY NUMBER TWO

He was a quitter. He had welched on his education. When a job became too hard, he quit it. He married when he was 17 and soon found that he could not support his family. He walked out on his family and joined the army.

He quit the army too and was placed in the guard house. Because he had not established himeslf in life, he was in prison by the time he was 25.

STORY NUMBER THREE

Number three left home when he was 17 because he didn't want anyone telling him what to do. He decided that there was no God and morality. He became dependent upon whiskey, dope and women. From here he went to the last extreme and killed a person.

STORY NUMBER FOUR

Number four left home at the age of 15. He had no consideration for family or friends and always wanted to be the center of attraction. He began staying out at night and meeting the night people. He learned to drink and hold his liquor. Drink became a crutch to him.

He married when he was 17 and five years later was the father of a son. He found he couldn't support them, so he had his family take care of them. Because he was an alcoholic he lost his respect and his freedom.

All young people, their friends and parents from Cameron and surrounding areas are invited to attend.

LADIES OVER 40

Widow or Single, Would you like to join the Sunbonnet Club, special for ladies who have a lot of time and would like to be with other people. This club would be open from 8 a. m. to 4 p. m., 5 days a week, free lunch and coffee for those who would like to come each day or as often as you like. All members meet each Wednesday night for games and fun. If you would like to belong to this Club, Write Box 1, % Cameron Herald. This Club will be started at once. Will be waiting to hear from you. All letters will be answerred. More details will be given at that time.

Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER FOURTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

HOUSE JOINT RESOLUTION NO. 32 proposing an amendment to the Constitution of the State of Texas to authorize the Legislature to provide for trial de novo on all appeals to the courts from actions, rulings or decisions of administrative agencies and executive departments of the State of Texas or any of its political subdivisions.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of Texas be and same is hereby amended by the addition to Article II of a new Section to be known as Section 2, said new Section 2 to read as follows:

"Section 2. Notwithstanding any other provision of the Constitution, the Legislature shall have the power, by general law, to provide for appeals to the courts from any and all actions, rulings or decisions of administrative agencies and executive departments of the State of Texas or any of its political subdivisions, under such provisions and limitations as the Legislature shall deem necessary and desirable; and the courts of Texas shall have no power or authority to refuse, deny, or change the manner of such appeals, if brought in the manner provided by general law, even though such appeals shall be provided de novo as that term is used in appeals from Justice of the Peace Courts to County Courts; and should the Legislature provide for such appeals to be tried completely de novo and independent of any administrative or executive action, ruling or decision thereon, the courts shall comply with such general law and shall hear and determine such appeals in the manner and under the conditions prescribed by the Legislature, even though such action on the part of the courts involves administrative or executive rather than judicial powers; provided, however, in the absence of legislation enacted subsequent to the adoption of this amendment, all such appeals shall continue to be prosecuted in the manner now provided by law, as interpreted and applied by the Appellate Courts of Texas on the date of the adoption of this amendment, and no change in the manner of such appeals shall be effected except by legislation enacted subsequent to the adoption of this amendment."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State, at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1962, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment granting the Legislature power to provide for trials de novo on all appeals from actions, rulings, or decisions of administrative or executive agencies of government."

"AGAINST the Constitutional Amendment granting the Legislature power to provide for trials de novo on all appeals from actions, rulings, or decisions of administrative or executive agencies of government."

If it appears from the returns of such election that a majority of the votes cast therein are for such amendment, same shall become a part of the Constitution of Texas.

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for such election and this amendment shall be published and the election shall be held as required by the Constitution and laws of this State.

NUMBER FIVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

HOUSE JOINT RESOLUTION NO. 31 proposing an Amendment to Article IX of the Constitution of the State of Texas by adding thereto a new Section to be known as Section 9 to provide that the Legislature may authorize the creation of hospital districts composed of all or part of one or more counties; the assumption by the district of any included city, town or county hospital indebtedness and the transfer of all hospital facilities thereof to the district; the issuance of bonds for hospital purposes and the levy of taxes to pay the district's bonds, assumed indebtedness, and for operating and maintaining the district; providing other terms and conditions for accomplishing the purposes of this Amendment.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby, amended by adding thereto another Section to be designated as Section 9, which shall read as follows:

"Section 9. The Legislature may by law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county, providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties if less than all the territory thereof is included within the district boundaries; providing that after its creation no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (75c) on the one hundred dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified property taxpaying electors thereof voting at an election called for the purpose; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district.

"Provided, however, that no district shall be created except by act of the Legislature and then only after thirty (30) days' public notice to the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the taxpaying voters in the district concerned."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of the State at the General Election to be held the first Tuesday after the first Monday in November, 1962, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to create hospital districts and prescribing limitations upon the powers of such districts."

"AGAINST the Constitutional Amendment authorizing the Legislature to create hospital districts and prescribing limitations upon the powers of such districts."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION NO. 7 proposing an Amendment to Section 51-b of Article III of the Constitution of the State of Texas, relating to assistance to needy persons totally and permanently physically or mentally disabled; renumbering said Section, and providing that the amount paid out of state funds for assistance payments to the totally and permanently disabled may never exceed Two Million, Five Hundred Thousand Dollars ($2,500,000) per year.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51-b of Article III of the Constitution of the State of Texas, relating to assistance to needy persons totally and permanently physically or mentally disabled be amended and renumbered so as to read as follows:

"Section 51-b-1. The Legislature shall have the power to provide by General Laws, under such limitations and restrictions as may be deemed by the Legislature expedient, for assistance to needy individuals, who are citizens of the United States, who shall have passed their eighteenth (18th) birthday but have not passed their sixty-fifth (65th) birthday, who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps and not feasible for vocational rehabilitation, and who are residents of the State of Texas, who have resided in this state for at least one (1) year continuously immediately preceding the application and who have resided in the state for at least five (5) years during the nine (9) years immediately preceding the application for assistance; and providing further, that no individual shall receive assistance under this program for the permanently and totally disabled during any period when he is receiving old age assistance, aid to the needy blind, or aid to dependent children, nor while he is residing permanently in any completely state-supported institution, and provided further, that not more than Twenty Dollars ($20) a month out of state funds may be paid to any individual recipient; and provided further, that the amount paid out of state funds to any individual may never exceed the amount paid to that individual out of federal funds; and provided further, that the amount paid out of state funds for assistance payments shall not exceed Two Million, Five Hundred Thousand Dollars ($2,500,000) per year.

"The Legislature shall have the authority to accept from the Government of the United States such financial aid for individuals who are permanently and totally disabled as that Government may offer not inconsistent with the restrictions herein provided."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1962, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment to establish a ceiling of Two Million, Five Hundred Thousand Dollars ($2,500,000) per year on the amount that may be paid out of state funds for assistance payments to the totally and permanently disabled."

"AGAINST the Constitutional Amendment to establish a ceiling of Two Million, Five Hundred Thousand Dollars ($2,500,000) per year on the amount that may be paid out of state funds for assistance payments to the totally and permanently disabled."

Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION NO. 22 proposing an amendment to Article IX of the Constitution of the State of Texas, by adding a new Section thereto to be known and described as Section 11, providing that the Legislature may authorize the creation of hospital districts in Ochiltree, Castro, Hansford and Hopkins Counties, each district to be coextensive with the limits of such county, authorizing the levying and rates of taxes; providing for the acquisition of land and properties for hospital uses, as well as the maintenance and operation of the same; and authorizing the issuance of tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements; and further providing that any enabling Acts shall not be invalid because of their anticipatory character.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Article IX of the Constitution of the State of Texas is amended by adding thereto a new Section to read as follows:

"Section 11. The Legislature may by law authorize the creation of hospital districts in Ochiltree, Castro, Hansford and Hopkins Counties, each district to be coextensive with the limits of such county.

"If any such district is created, it may be authorized to levy a tax not to exceed Seventy-five Cents (75c) on the One Hundred Dollar ($100) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property-taxpaying voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of Seventy-five Cents (75c) per One Hundred Dollar ($100) valuation.

"If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said Seventy-five Cent (75c) tax. The Legislature shall provide for transfer of title to properties to the district.

"Should the Legislature enact enabling laws in anticipation of the adoption of the amendment, such Acts shall not be invalid because of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state on the first Tuesday after the first Monday in November, 1962, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Article IX of the Constitution permitting the creation of hospital districts in Ochiltree, Castro, Hansford and Hopkins Counties, each district to be coextensive with the limits of such county."

"AGAINST the Amendment to Article IX of the Constitution permitting the creation of hospital districts in Ochiltree, Castro, Hansford and Hopkins Counties, each district to be coextensive with the limits of such county."

Sec. 3. The Governor shall issue the necessary proclamation for said election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

HOUSE JOINT RESOLUTION NO. 36 proposing an Amendment to Subsection (b) of Section 62 of Article XVI of the Constitution of the State of Texas so as to authorize for elected and appointive officers and employees, who serve in such capacity for twelve (12) or more years in any county or other political subdivision, a Retirement, Disability and Death Compensation Program.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Subsection (b) of Section 62 of Article XVI of the Constitution of the State of Texas is amended to read as follows:

"(b) Each county and any other political subdivision of this State shall have the right and the Legislature may enact appropriate regulatory laws to provide for and administer a Retirement, Disability and Death Compensation Fund for its elected and appointive officers and employees; provided same is authorized by a majority vote of the qualified voters voting in such election of the county or other political subdivision. No person shall qualify for benefits unless he shall have served in such capacity for at least twelve (12) years, except for those persons otherwise qualified prior to the effective date of this Amendment. The amount contributed by the county to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to such person by the county and State."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors in this State at an election to be held on the first Tuesday after the first Monday in November, 1962, of which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing retirement, disability and death benefits for elected and appointive officers and employees of counties and political subdivisions who have served in such capacity for twelve (12) years or more."

"AGAINST the Constitutional Amendment authorizing retirement, disability, and death benefits for elected and appointive officers and employees of counties and political subdivisions who have served in such capacity for twelve (12) years or more."

Sec. 3. Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such legislation shall not be invalid by reason of its anticipatory character.

Sec. 4. The Governor of Texas shall issue the necessary proclamation for the election and the Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER THIRTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION NO. 6 proposing an Amendment to Article VII of the Constitution of Texas by adding a Section to be known as Section 3-b, providing that school taxes theretofore voted in any independent school district, the major portion of which is within Dallas County, shall not be abrogated, canceled or invalidated by a change in boundaries nor shall bonds voted, but unissued, at the time of such change, be invalidated by such change; authorizing the levy of taxes after such change without further election in the district as changed; providing an exception in the case of the annexation or consolidation of whole districts; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VII of the Constitution of Texas be amended by adding thereto the following:

"Section 3-b. No tax for the maintenance of public free schools voted in any independent school district, the major portion of which is located in Dallas County, nor any bonds voted in any such district, but unissued, shall be abrogated, canceled or invalidated by change of any kind in the boundaries thereof. After any change in boundaries, the governing body of any such district, or such additional or substitute governmental agency shall have the power to assess, levy and collect ad valorem taxes on all taxable property within the boundaries of the district as changed, for the purposes of the maintenance of public free schools and the payment of principal of and interest on all bonded indebtedness outstanding against, or attributable, adjusted or allocated to, such district or any territory therein, in the amount, at the rate, or not to exceed the rate, and in the manner authorized in the district prior to the change in its boundaries, and further in accordance with the laws under which all such bonds, respectively, were voted; and such governing body also shall have the power, without the necessity of an additional election, to sell and deliver any unissued bonds voted in the district prior to any such change in boundaries, and to assess, levy and collect ad valorem taxes on all taxable property in the district as changed, for the payment of principal of and interest on such bonds in the manner permitted by the laws under which such bonds were voted. In those instances where the boundaries of any such independent school district are changed by the annexation of, or consolidation with, one or more whole school districts, the taxes to be levied for the purposes hereinabove authorized may be in the amount or at not to exceed the rate theretofore voted in the district having at the time of such change the greatest scholastic population according to the latest scholastic census and only the unissued bonds of such district voted prior to such change, may be subsequently sold and delivered and any voted, but unissued, bonds of other school districts involved in such annexation or consolidation shall not thereafter be issued."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1962, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Article VII of the Constitution of Texas by adding thereto Section 3-b providing that taxes or bonds previously voted in any Independent School District, the major portion of which is in Dallas County, shall not be abrogated, canceled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

"AGAINST the Amendment to Article VII of the Constitution of Texas, by adding thereto Section 3-b providing that taxes or bonds previously voted in any Independent School District, the major portion of which is in Dallas County, shall not be abrogated, canceled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective on and after the date of its adoption.

Sec. 3. The Governor shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this state.

Four Matches

ONE could be left as it is — unstruck and unused.

One could be struck and simply allowed to completely consume itself.

Another could be lighted and carelessly thrown away to set a forest ablaze.

Yet another could be used as the initial step in preparing a delicious meal.

When it comes to life, does one of the matches match you?

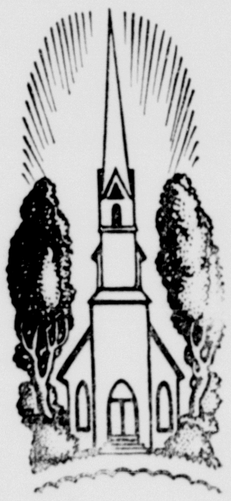
How do you live —

without purpose?
for yourself alone?
in undisciplined and destructive manner?

OR, do you regard your *one* life as a sacred trust from God to be rightly invested and, with accumulated values, returned one day to Him?

The church is the divinely appointed agency through which you may happily conserve and use your life for the benefit of humanity and for the glory of God.

Could there be a higher ideal—a more noble aspiration—a greater achievement? Begin now to live your life through the church.



"Other foundation can no man lay than that is laid, which is Jesus Christ."
1 Cor. 3:11

Rogers SC Officers Attending Workshop

ROGERS — The new officers of the Rogers High School Student Council left early Sunday morning for Sul Ross State College at Alpine where they are attendng the State Student Council Association's annual workshop.

Making the trip are David Wright president; Carol Mikulas, vice pre ident; Carolyn Necas, secretary-treasurer; Don Farrell, reporter; and Barbara Smith, member. The group was accompanied by J. L. Chervenka, principal and area officer.

The workshop will end at noon August 10 and the group will arrive in Rogers Friday night.

LABOR CUT

Auger conveying systems for feed handling are being used in many ways to cut labor requirements on Texas farms and ranches, reports W. S. Allen, extension agricultural engineer. Persons interested in this labor saving facility should contact their local county agent for a copy of B-972, "Farm Feed Processing ..... Equipment, Planning and Design."

Scouts Attend Camp Tahuaya

Camping, under the leadership of 16 volunteer leaders, were 1215 Scouts and Explorers from 90 different units. The camping season ended Aug. 4 at Camp Tahuaya.

Members of the Cameron Troop 313 attending were Steve Johnson, James Griffin, Van B. Nelson, Bobby Hardman, Michael Carie, Freddie Townsend, Hubert Canady, Willie Holloway and Vandy Murphy.

Leaders for the group are Odell Biggs and Dussie Poole.

Membetrs of the Branchville Troop 327 attending were Charles Price, C. Ernest, John Rosemond, Leroy Steamer, Charles Jemminy, Larry Johnson, Billy J. Herford, Johnnie Whitfield and Larry Williams. Biggs is also leader for this group.

Band Rehearsals For Rogers School

ROGERS — Band rehearsals will begin August 20 for the Rogers High School Eagle Band, according to an announcement by Charles Edward Conner, the new band teacher for the Rogers Public Schools. Rehearsals will be held daily until school starts. All band students are expected to report daily.

Conner, whose home is in Midland, is a graduate of the School of Music of Baylor University and comes highly recommended. He did his practice teaching at Lake Air Junior High School in Waco. Conner succeeds Eugene Kaltwasser who resigned after 11 years with the Rogers Public Schools to teach band at Rock Island High School in south Texas.

Rogers Trustees Adopt New Budget

ROGERS — The Board of Trustees of the Rogers Consolidated Independent School District adopted the budget for the 1962 - 1963 school year as proposed at the announced public meeting Thursday night in the high school building. Six board members were present.

The budget calls for a total expenditure of $185,945 with $13,455 allocated to Administration; $126,161 to Instruction; $159 to Health Service; $20,922 to Transportation; $8,900 to Operation of the Plant; $1,800 to Maintenance of the Plant; $3,273 to Fixed Charges; $1,456 to Capital Outlay; and $9,818 to Debt Service.

Revenue is expected as follows: from local sources: $33,197; County: $165; State: $149,718; Federal: $2,925; for a total of expected revenue amounting to $185,945.

Exams Scheduled For Federal Jobs

The U. S. Civil Service Commission has announced examinat- Grades GS - 7 and GS - 9, for filling positions in the Bureau of Reclamation.

Salaries for these positions are $5,355 and $6,435 a year. Vacancies exist at Bureau offices and projects in the 17 Western States.

Applications should be sent to the Executive Secretary, Central Board of U. S. Civil Service Examiners, Bureau of Reclamation, Building 53, Denver Federal Center, Denver, Colorado.

Further information and application forms may be obtained at the U. S. Post Office.
